Wheat Opened Lower, Fluctuated Narrow ly and Olosed at a Decline-Live Stock Transactions Brisk.

Daily Review

GAZETTE OFFICE, / FORT WORTH, TEX., Aug. 8, 1887. Trade was very active to-day. Very heavy receipts of bulter and eggs next day it was pro- caused a decline in prices, but poultry

> are still scarce and prices high. Wheat was somewhat more active today and several lots of the wheat brought

Lemons have an improved tendency. Dealers report the market unusually

A less satisfactory movement has been reported in the wholesale line, but values have been held to a steady range, the principal holders showing an unyielding temper and expressing conditione in the early future course of trade. Already some increase is noted in the jobbing requirements, which serves to quicken meeting of native some increase is noted in the jubbing requirements, which serves to quicken interest, though the oppressively warm weather is unfavorable to any considerable revival of the demand from this source. ninestuatives. The meetlively harmonious, and, aclively harmonious, and without
lively harmonious, and without
lively the candidates.

In the candidates are sufficient to sugment the available of the prevention of the available of the prevention of the prevent supplies. Speculation here, as at Havre, days and \$4 80% for demand. to o jects of the meeting, reached less important proportions, and, as a rule, was bearish in drift:- | Brad-street's.
